

1

Fryderyk Chopin was born in 1810 in Żelazowa Wola.

My dear son

2

Fryderyk from an early age showed musical abilities.

I like music.

3

His first piano lessons were given to him by his mother.

4

Chopin was a few years old when he played his first concerts at ceremonies in the homes of aristocrats.

You are doing better and better

5

Chopin composed and gave concerts with outstanding musicians.

I've achieved so much.

6

1830 gave his last concert in Poland and left the country.

My heart is in Poland.

7

He settled permanently in Paris where his concerts were very popular.

8

Chopin met a famous writer George Sand and fell in love.

9

Unfortunately love did not survive and Chopin a health began to deteriorate.

10

Despite his illness he played concerts in England and Scotland.

11

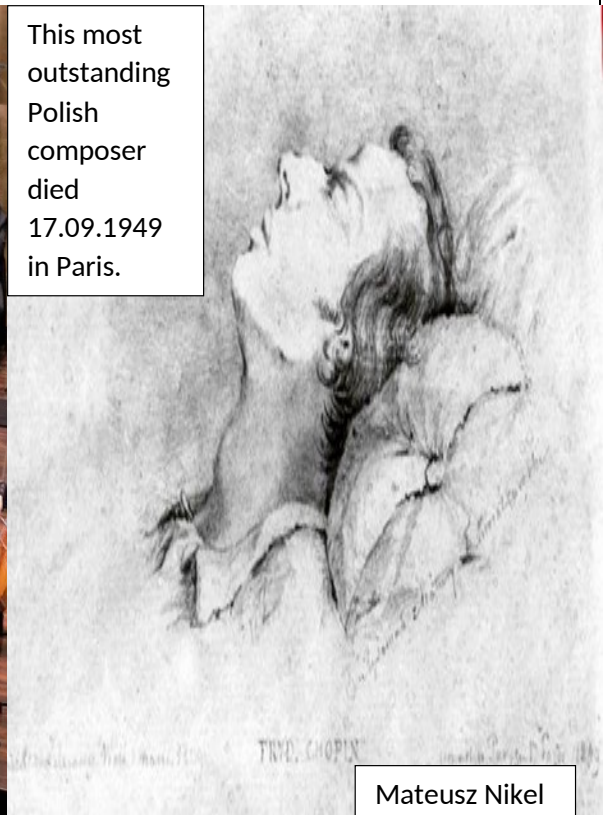

He played his last concert 1848 in London.

He is brilliant musician.

12

This most outstanding Polish composer died 17.09.1949 in Paris.
